

RANGERTM
OILSKIN WORKWEAR

GARMENT CARE

INITIAL USE: Some surface oil may be present—this is normal and will fade with wear. To assist, rinse in cold water and hang to dry in a warm, ventilated area.

CLEANING: Do not machine wash or dry clean. Rinse or hose down with cold water. Gently remove dirt with a brush or damp cloth.

STORAGE: Hang in a cool, dry, well-ventilated space.

MAINTENANCE: Reproof periodically with oilskin wax. Follow product instructions.

NOTE: This garment is water-resistant, not waterproof. Some leakage at seams may occur over time.
