PRODUCT DESCRIPTION

MATERIAL

155gsm durable and lightweight RIPSTOP cotton - RIPSTOP cotton is constructed using a reinforcing technique making it more resistant to tearing & ripping than classic cotton garments

FEATURES

- Day/Night long sleeve shirt in yellow/navy
- 100% Light weight 155gsm RIPSTOP cotton
- Reflective tape in a hoop tape configuration on the front and X-back configuration on the back
- 2 reflective tape arm bands on each sleeve for added visibility
- Yellow button down front and cuffs
- Left breast cell phone pocket with Velcro flap and a pen pocket
- Right side pad pocket with Velcro flap
- Contrast navy front work panels and bottom sleeves for protection against dirt soiling
- Ventec breathable under arm ventilation and rear yoke ventilation to allow effective moisture release
