PRODUCT DESCRIPTION

FABRIC

Colourway TTMC-W orange with black trims and reflective tape

Made From 155gsm durable and lightweight RIPSTOP cotton - RIPSTOP cotton is constructed using a reinforcing technique making it more resistant to tearing & ripping than classic cotton garments

FEATURES

- TTMC-W compliant long sleeve shirt in orange
- 100% Light weight 155gsm RIPSTOP cotton
- Reflective tape in a belt and brace tape configuration
- 2 reflective tape arm bands on each sleeve for added visibility
- Orange button down front and cuffs
- 2 large front pockets with pen pocket - Velcro closures
- Contrast navy front work panels and cuffs for protection against dirt soiling
- Ventec breathable under arm ventilation and rear yoke ventilation to allow effective moisture release
