

ORANGE ROCKET[®] NITRILE GLOVES

Hand safety is now brighter & more affordable

Fully textured nitrile from fingertips to cuff for maximum grip and dexterity. The colouring of Orange Rocket[®] allows the user to see exactly what they are doing in any situation, perfect for low light or dark environments.

Hazardous contaminants stand out on the orange colour, making it easy to prevent cross contamination.

Ultimate value and incredible toughness, the Orange Rocket[®] Nitrile Gloves are perfectly suited for automotive, industrial, DIY, building, coatings and mining sectors.
